Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at 18 months from the earliest filing date. The USPTO will delay the publication of a patent application made available to defense agency under 35 USC 181 until 90 days after 18 months from the filing date or 90 days from the date of referral to that agency. This application will be cleared for publication 90 days from the above Date Referred, unless a response is provided in the USPTO regarding the necessary recommendations to the imposition of a secrecy order.

The USFPO publishes bulletins and reports at 18 months from the end of the calendar year. The time delay of publication of information may be an advantage to the State's legal and intelligence communities. For example, this delay allows the State to take action to correct inaccuracies before the next publication. 21 days from the above date, however, is provided to the USFPO regarding the need for a recommendation as to the imposition of a score or grade.
